RE: 2020 Natural Gas Distribution Integrity Management Program (DIMP) – Northwest Natural Gas – Headquarters (Insp. No. 8058)

Dear Mr. Huddleston:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a DIMP inspection of Northwest Natural Gas', (NWN), Headquarters from March 18, 2020 to June 5, 2020. The inspection included an electronic records review and inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of June 5, 2020.

Staff would like to thank NWN's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Rukke at (360) 870-4923.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
