RE: 2020 Hazardous Liquid Construction Inspection – Tidewater Terminal Company – Snake River Terminal (Insp. No. 8081)

Dear Mr. Collins:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Construction Records Inspection of Tidewater Terminal Company, (Tidewater), Snake River Terminal during the 2020 standard inspection. The inspection included a review of records related to the pipeline re-route which was completed in 2018 on the inbound/outbound system.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks Tidewater's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
