RE: 2020 Hazardous Liquid Annual Review – Tidewater Terminal Company – Snake River Terminal (Insp. No. 8082)

Dear Mr. Reed :

On 3/4/2020, staff from the Washington Utilities and Transportation Commission conducted a review of Tidewater Terminal Company headquarters programs related to pipeline safety and compliance. This inspection included a review of any program changes made during the last year.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks Tidewater Terminal Company's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
