**RE: 2020 Hydrogen Gas Transmission Plan and Procedure, Drug and Alcohol, and Operator Qualification Program Review – Solvay Chemicals, Inc. (Insp. No. 8020,8021,8141)**

Dear Mr. May:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Transmission Plan and Procedure, Drug and Alcohol, and Operator Qualification Program Review inspection of Solvay Chemicals, Inc, (Solvay) Longview, WA facility on June 16-17, 2020. The inspection included procedures and records review.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks Solvay's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dave Cullom at (360) 489-8684

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
