Naperville, IL 60563

Dear Mr. Pankhurst:

**RE: 2014 Natural Gas Operator Qualification (OQ) Inspection – Ferndale Pipeline System**

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification (OQ) inspection on August 26, 2014 of the BP Pipelines (BP), Ferndale Pipeline system. The inspection included a review of BP's OQ plan and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Ferndale Pipeline's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 664-1182.

Sincerely,

David D. Lykken  
Pipeline Safety Director
