Dear Mr. Maret:

**RE: 2016 Natural Gas Control Room Management Inspection – Ferndale Pipeline System  
(Insp. No. 6767)**

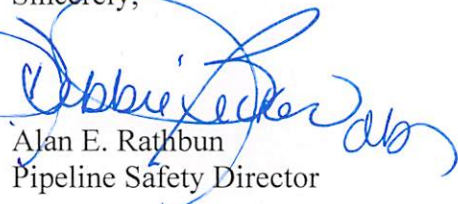

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Control Room Management inspection from Oct. 11-13, 2016, of Ferndale Pipeline System. The inspection included a records review and inspection of the pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of Nov. 9, 2016.

Staff thanks Ferndale Pipeline System's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Lex Vinsel at (360) 664-1319.

Sincerely,

  
Alan E. Rathbun  
Pipeline Safety Director
