IMPORTANT NOTICE

This is to inform you of BNSF's plan to repair the public grade crossing on our main line track located at 204thth St. N.E. in Arlington, WA. The work will include removing a portion of the existing crossing material and replacing it with new asphalt to repair a UTC defect. See Table 1 for a detail list of when the work is to begin and end.

This is only a lane closure it will remain as so during the entire duration to allow for the asphalt to cool enough for traffic. Traffic control plans including detour routes and signage will be provided by Jana Haugen with N.W. Safety Signs.

If you have questions about the regulatory process, you may need to contact Washington Utilities and Transportation Commission at: WUTC, 1300 S. Evergreen Park Dr. S.W., P.O. Box 47250, Olympia, WA. 98504-7250; 1-800-562-6150 (toll-free). Also, you may contact the Federal Railroad Administration at 1-800-724-5998 (toll-free).

If you have any questions please contact Paul Farley at 509-591-2021.
