# IMPORTANT NOTICE

This is to inform you of BNSF’s plan to remove the grade crossing on our siding track at Main St. – 5<sup>th</sup> St. N. in Skykomish, WA. for complete renewal. The work will include removing the existing concrete crossing material, asphalt, and placing new track and crossing materials then repaving the approaches. See Table 1 for a detail list of when the work is to begin and end.

These crossing will remain closed during the entire one day duration. Traffic control plans including detour routes and signage will be provided by Jana Haugen with N.W. Safety Signs.

If you have questions about the regulatory process, you may need to contact Washington Utilities and Transportation Commission at: WUTC, 621 Woodland Square Loop SE, Lacey, WA. 998503, P.O. Box 47250, Olympia, WA. 98504-7250; 1-800-562-6150 (toll-free). Also, you may contact the Federal Railroad Administration at 1-800-724-5998 (toll-free).

If you have any questions please contact Paul Farley at 509-591-2021.

# IMPORTANT NOTICE

This is to inform you of BNSF's plan for a complete rehab of the railroad crossing panels on our main line track at Sophie Road East. The work will include removing the crossing panels, rail, ties and ballast under the crossing panel and replacing that material with new. See Table 1 for a detail list of when the work is to begin and end.

These crossings will remain closed during the entire two day duration as there are adjacent crossings open for thru traffic. Traffic control plans including detour routes and signage will be provided by [N.W. Safety Signs](#).

If you have questions about the regulatory process, you may need to contact Washington Utilities and Transportation Commission at: WUTC, 621 Woodland Loop SE, Lacey, WA. 98503-1036, P.O. Box 47250, Olympia, WA. 98504-7250; 1-800-562-6150 (toll-free). Also, you may contact the Federal Railroad Administration at 1-800-724-5998 (toll-free).

If you have any questions please contact Paul Farley 509-591-2021.
