**RE: 2022 Natural Gas Distribution Section 114 Compliance Review – City of Ellensburg –
Ellensburg, WA (Insp. No. 8500)**

Dear Ms. Behrends Cerniwey:

Pursuant to 49 U.S.C. 60108(a)(3), as amended by section 114(a) of the PIPES Act of 2020 (Section 114), PHMSA and state authorities with a certification under 49 U.S.C. 60105 will inspect operators' revised O&M plans in calendar year 2022, and such inspections must be completed by December 27, 2022.

On June 7, 2022, staff from the Washington Utilities and Transportation Commission (staff) conducted a Section 114 review of City of Ellensburg operations and maintenance plans. No apparent violations of Section 114 requirements were discovered during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks City of Ellensburg personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Anderson at (360) 481-6978.

Sincerely,

Sean C. Mayo
Pipeline Safety Director

cc: Darren Larsen, Assistant Utilities Director, City of Ellensburg
