RE: 2022 Liquefied Petroleum Gas Section 114 Compliance Review – Ferrellgas – Pacific Seafoods (Insp. #8511)

Dear Mr. Dulcich:

Pursuant to 49 U.S.C. 60108(a)(3), as amended by section 114(a) of the PIPES Act of 2020 (Section 114), PHMSA and state authorities with a certification under 49 U.S.C. 60105 will inspect operators' revised O&M plans in calendar year 2022.

On 8/2/2022, staff from the Washington Utilities and Transportation Commission concluded a review of Pacific Seafoods operation and maintenance plan compliance with Section 114 requirements. No apparent violations were discovered during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks Pacific Seafood's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrough at (360) 481-4035.

Sincerely,

Sean Mayo
Pipeline Safety Director
