RE: 2022 Liquefied Petroleum Gas (LPG) Standard Inspection – The New Roche Harbor Resort (RHR) (Insp. No. 8446)

Dear Mr. Snow:

Thank you for your letter, dated 09/08/2022 addressing the findings of our 2022 Standard Inspection of RHR. This inspection covered records and procedures, as well as a site review of the container, all valves, meter set assemblies and other pipeline facilities.

Staff accepts RHR's proposals to bring your system into compliance. This inspection will be closed as of the date of this letter.

Staff thanks RHR's personnel for their cooperation and assistance during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Amanda Maxwell
Executive Director and Secretary
