**RE: 2022 Natural Gas Design, Testing & Construction Inspection – Nippon Dynawave  
NPS 12 NG Pipeline Relocate – (Insp. No. 8514)**

Dear Mr. Wood:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Design, Testing & Construction Inspection of Nippon Dynawave Packaging Company, LLC (NDPC) pipeline facilities being relocated, from November 22, 2022 to January 18, 2023. The inspection included a review of the design, testing & construction of field assets involved in the relocation.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks NDPC's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Scott Rukke  
Pipeline Safety Director
