RE: 2022 Hydrogen Gas Transmission Pipeline Section 114 Compliance Review – Nouryon Pulp and Performance Chemicals, LLC. – Moses Lake, WA (Insp. No. 8502)

Dear Mr. St. Mary:

Pursuant to 49 U.S.C. 60108(a)(3), as amended by section 114(a) of the PIPES Act of 2020 (Section 114), PHMSA and state authorities with a certification under 49 U.S.C. 60105 will inspect operators' revised O&M plans in calendar year 2022, and such inspections must be completed by December 27, 2022.

On April 21, 2022, staff from the Washington Utilities and Transportation Commission (staff) conducted a Section 114 review of Nouryon Pulp and Performance Chemicals, LLC.(Nouyon) operations and maintenance plans. No apparent violations of Section 114 requirements were discovered during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks Nouryon personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Anderson at (360) 481-6978.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
