RE: 2024 Natural Gas Operator Qualification Program Inspection – Georgia Pacific Consumer Products, Camas Mill – (Insp. No. 8784)

Dear Mr. Jon Busby:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification Program Standard Records and Field Inspection of the Georgia Pacific Consumer Product's (GAPAC) Camas Mill transmission pipeline on August 6, 2024. The inspection included a review of GAPAC's procedures, records and a check of field personnel performing operator qualified tasks.

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks GAPAC's personnel for their cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dennis Ritter at (360) 402-0066.

Sincerely,
