RE: 2025 Hazardous Liquid Standard – Annual Review Inspection – BP Pipelines North America HQ – (Insp. No. 8989)

Dear Mr. Vodicka:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard – annual review (AR) inspection of BP Pipelines North America Headquarters (HQ) on August 20, 2025. The inspection covered the following HQ programs: CRM, PA, Damage Prevention and OQ pertaining to the Ferndale, crude and butane pipelines.

There were no issues noted during this inspection, therefore this inspection will be closed as of the date of this letter.

Staff thanks BP's personnel for their cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Dennis Ritter
Acting Director, Pipeline Safety
