**RE: Natural Gas Enhanced Safety Section 114 Inspection – Cardinal FG – (Insp. No. 8993)**

Dear Mr. Smith:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Enhanced Safety Section 114 inspection of Cardinal FG (Cardinal) on April 23, 2025. The inspection included a review of Cardinal for the Enhanced Safety (PIPES) Act of 2020, according to Section 114 – Protecting Our Infrastructure of Pipelines.

There were no issues noted during this inspection, therefore this inspection will be closed as of the date of this letter.

Staff thanks Cardinal's personnel for their cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 481-4035.

Sincerely,

Scott Rukke  
Director, Pipeline Safety

cc: Micah Young, Mechanical Engineer, Cardinal  
Steven Godlewski, Engineering Manager, Cardinal  
Kellen Rosales, Compliance Program Manager, Everline

Respect. Professionalism. Integrity. Accountability.
