**Re: 2025 Natural Gas Section 114 Compliance Review – Georgia-Pacific Consumer Product (Camas) LLC (Insp. 9010)**

Dear Mr. Busby:

Pursuant to 49 U.S.C. 60108(a)(3), as amended by section 114(a) of the PIPES Act of 2020 (Section 114), PHMSA and state authorities with a certification under 49 U.S.C. 60105 will inspect operators' revised O&M plans in calendar year 2025.

On July 8, 2025, staff from the Washington Utilities and Transportation Commission concluded a review of Georgia-Pacific Consumer Products (Camas) LLC (GP Camas Mill) operation and maintenance plan compliance with Section 114 requirements. No apparent violations were discovered during this inspection, therefore this inspection will be closed as of the date of this letter.

Staff thanks GP Camas Mill's personnel for their cooperation during this inspection. If you have any questions or if we may be of any assistance, please contact Tom Green at (360) 827-0483.

Sincerely,

Scott Rukke  
Director, Pipeline Safety
