RE: 2025 Natural Gas Standard Records and Field Review – Puget Sound Energy – South King Unit – (Insp. No. 9040)

Dear Ms. Vargo:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Records and Field Inspection of Puget Sound Energy (PSE) – South King Unit from October 20, 2025, to October 30, 2025. The inspection included a review of PSE's records and a check of field assets.

There were no issues noted during this inspection. This inspection will be closed as of the date of this letter.

Staff thanks PSE's personnel for their cooperation during this inspection. If you have any questions or if we may be of any assistance, please contact Scott Anderson at (360) 481-6978.

Sincerely,

Dennis Ritter
Acting Director, Pipeline Safety
